Trash removal is \$9.00 per month per Occupant; internet is \$24 per month. If the actual utility or service (electric, gas, water, sewer, trash removal, or internet) costs paid by Landlord, for the entire rental term for Premises, exceeds the utility and service payments due from Tenant by more than five percent (5%), Tenant agrees to pay Landlord the full difference. This shall be determined by adding all utility & service costs and a \$10.00 per month third-party provider administrative and billing expense and then subtracting the utility payments made by Tenant as described above. If water/sewer is on a central meter, the Tenant is charged a proportionate share of the costs based on the number of persons sharing said meter. C: For any utilities or services in either subparagraph A or B for which Tenant is responsible for connecting, Tenant is responsible for contacting local utility companies to initiate services. Tenant agrees to initiate service(s) on or before the commencement date of this Rental Agreement. Tenant agrees to maintain those services throughout the term of this Rental Agreement to avoid damage to the Premises and through 5 business days beyond the termination date of this Rental Agreement. If any utility (electric, gas, and/or water, sewer) is on a central meter and/or if trash is collected at a central location, Landlord will pay for these utilities and services and prorate the costs from the commencement date of this Rental Agreement to 5 business days beyond the termination date of this Rental Agreement. Tenant will reimburse Landlord for the prorated amounts due upon receipt of a statement from Landlord. Tenant acknowledges that some utility charges may be for exterior or common areas adjacent to Premises.

Nothing in this section, however, entitles Tenant to an immediate credit against any delinquent rent. Acceptance of the Deposit by Landlord does not constitute any waiver of damages that may exceed the amount of the Deposit or any waiver of any other rights Landlord may have against Tenant by reason of Tenant's default. In the event damages suffered by Landlord by reason of Tenant's default exceed the amount of the Deposit, Landlord shall be entitled to recover such damages from Tenant, along with the costs of exercising these rights. If Tenant complies with all provisions of this Rental Agreement, the Deposit, or the balance thereof, shall be returned within 45 days after termination of the tenancy and delivery of possession or within such longer period as permitted by Virginia Law. 19. LOCKS/KEYS. If Tenant loses any key to any lock on Premises, or fails to return all keys, with each key labeled, to Landlord at the termination of this Rental Agreement, Tenant agrees to pay a minimum of \$100.00 per lock to re-key any existing lock and \$150.00 per lock for replacing or installing any additional locks on Premises and for cutting new keys, or for re-programming combination locks. 21. REPAIRS. Tenant agrees to pay the reasonable costs of repairs or maintenance tasks necessitated by the deliberate or negligent acts or omissions of Tenant, Occupants, or guests of Tenant, unknown parties, or vandals. Said repairs or maintenance tasks shall be arranged by Landlord unless Landlord gives written permission for Tenant to accomplish the repairs or tasks. If employees of Landlord make repairs (including but not limited to extermination, cleaning, removing trash, replacement of smoke detectors, batteries, light bulbs and painting) to Premises during the term of this Rental Agreement or upon termination of this Rental Agreement, the rate shall be \$45 per hour for labor, plus the cost of materials, plus overhead of 25% of labor and materials. After normal business hours or on weekends and holidays labor shall be charged at a rate of \$67.50 per hour. A minimum charge of one hour for labor shall be assessed on all repair charges. In the event the rental payment is not received by the 11th day of the month and Landlord files a warrant or summons for collection, Tenant agrees to pay Landlord a processing fee of \$75.00, in addition to any other amounts owed under this Rental Agreement.

(b) MATERIAL NON-COMPLIANCE. Except as otherwise provided by law, if there is a material non-compliance by Tenant with any term of this Rental Agreement, Landlord may serve a written notice on Tenant specifying the acts and omissions constituting the breach and stating that if after receipt of the notice the breach is not remedied within twenty-one days, this Rental Agreement shall terminate as provided in the notice. If the breach is remediable by repairs or the payment of damages or otherwise and Tenant adequately remedies the breach prior to the date specified in the notice, this Rental Agreement shall not terminate. If the breach is one by its nature not remediable, for example, a breach of Tenant's duty to refrain from disturbing his neighbors, sub-leasing without written permission from Landlord or Tenant's smoking in Premises, this Rental Agreement shall terminate upon the date specified in the notice. Tenant agrees that any violation of paragraphs 11 or 12 shall be considered a material violation of this agreement.

If any of those representations are found to be misleading, incorrect or untrue, Landlord may immediately terminate this Rental Agreement and notify Tenant to vacate the Premises.

(d) VIOLATION OF PARAGRAPH 11 OR 12 AFFECTING HEALTH AND SAFETY. If Tenant violates paragraph 11 or 12 of this Rental Agreement or any other provision of this Rental Agreement materially affecting health and safety and the violation can be remedied by repair, replacement of a damaged item or cleaning, and Tenant fails to comply as promptly as conditions require in case of emergency or within twenty-one days of written notice by Landlord specifying the breach and requesting that Tenant remedy it within that period of time, Landlord may enter Premises and cause the work to be done in a workman-like manner and submit an itemized bill for actual and reasonable cost or the fair and reasonable value thereof as rent due on the next date when periodic rent is due, or if this Rental Agreement has terminated, due immediately.

(e) NON-WAIVER. Acceptance of periodic or partial rent payments with knowledge of a default by Tenant or acceptance of performance by Tenant that varies from the terms of this Rental Agreement or rules or regulations subsequently adopted by Landlord shall not constitute waiver of Landlord's rights after the breach has occurred.

(f) LANDLORD'S REMEDIES AFTER TERMINATION. If this Rental Agreement is terminated by Landlord, Landlord shall have a claim for possession and for rent and a separate claim for actual damages for breach of this Rental Agreement and reasonable attorney's fees as provided by law. Actual damages for breach of the Rental Agreement shall include a claim for such rent as would have accrued until the expiration of the term of this Rental Agreement or until a tenancy pursuant to a new rental agreement commences; whichever first occurs. Actual damages also include collection costs of any kind incurred by Landlord to collect amounts owed by Tenant, and interest at 18% on the unpaid balance until paid in full.

(g) FAILURE TO VACATE AT END OF RENTAL AGREEMENT. 25. RULES AND REGULATIONS. Tenant agrees that Woodard Properties' Rules and Regulations (including no smoking and no pets by Tenant or guests) are incorporated herein by reference, and any additional reasonable rules and regulations subsequently adopted by Landlord of which Tenant receives reasonable notice, shall be a part of this Rental Agreement. Tenant further agrees that any failure by Tenant, or failure by others on Premises with the consent or knowledge of Tenant, to fully abide by Rules and Regulations may be deemed by Landlord as a default by Tenant and breach of this Rental Agreement. Tenant agrees to pay Landlord liquidated damages in the amount of \$200.00 per occurrence, and, in addition, any actual damages suffered by Landlord, if Tenant or guest of Tenant is in violation of paragraph 11 or 12 of this Rental Agreement.

26. TELEVISION SERVICE. Landlord shall have the absolute right to lease the interior television cable wiring, where Landlord has installed wiring, to any television service provider that Landlord selects. If Landlord installs a central television satellite dish or antenna system, Tenant agrees to use it rather than any other service that may be available. Any Tenant who desires to install a satellite dish must first sign a Satellite Addendum and a Hold Harmless Addendum and pay for the installation as well as any additional costs and fees to Landlord. Landlord must approve any installation prior to the commencement of the work. Tenant shall pay for cable service if Tenant chooses to subscribe.

27. INTERNET SERVICE. At locations where Landlord provides internet service, the service provider is to be selected by Landlord. Tenant acknowledges that no warranty is made by Landlord or any internet provider contracted by Landlord (hereafter referred to as "Provider") regarding any information, service, or product provided through, in connection with, or located on the computers of Provider. Landlord hereby expressly disclaims any and all warranties. The entire risk as to the results and the performance is assumed by the Tenant, and in no event will Landlord or Provider be liable for any consequential, incidental, direct or indirect damages suffered in the course of using this connection. Neither Landlord or Provider will be liable for, including without limitation, damages caused or allegedly caused by failure of performance, error, omission, interruption, electrical surge/damage/interference, deletion, defect, delay in operation or transmission, communications line failure, theft or destruction of or unauthorized access to, alteration of or use of records, whether for breach of contract, negligence, or under any other cause of action. Tenant is responsible for updating the virus protection programs on his/her personal computer with the most current definitions, as well as performing regular virus scans. Tenant is also responsible for installing the most current critical updates for his/her operating system. If Tenant does not comply with the terms of this paragraph, Landlord may terminate Tenant's access to this connection, without notice, for the remainder of the rental term and no compensation will be awarded to Tenant for this disruption of service. Tenant is not permitted to use the internet connection for any purposes that violate U.S. or state laws. It is also not acceptable to use this connection to interfere with or disrupt network users, service or equipment. Such interference includes, but is not limited to: distribution of unsolicited advertising, propagation of computer worms or viruses, and using the network to make unauthorized entry to other computational, information or communications devices or resources. Any Tenant discovered using this connection for such unacceptable purposes will have his/her access to the connection terminated without notice, and Tenant will be responsible for all costs incurred by Landlord or Provider because of such unacceptable uses. Landlord shall have the absolute right to lease or sell any internet cable and/or television cable and/or telephone cable, where it has been or is installed by Landlord, to any service provider of Landlord's choice.

28. FIRE OR CASUALTY DAMAGE. If Premises is damaged or destroyed by fire or casualty to an extent that Tenant's enjoyment of Premises is substantially impaired or that required repairs can only be accomplished if Tenant vacates Premises, either Tenant or Landlord may terminate this Rental Agreement. Tenant may terminate this Rental Agreement by vacating Premises and within 14 days thereafter, serving Landlord a written notice of his intention to terminate, in which case this Rental Agreement will terminate as of the date of vacating. If continued occupancy is lawful there shall be a reasonable rent reduction for such time until Premises is restored to the condition prior to fire or casualty; and, in case of such deprivation of possession, Tenant shall be allowed a like reduction until possession of Premises is restored to Tenant. Landlord may terminate this Rental Agreement by giving Tenant 45 days' notice of intention to terminate based upon Landlord's determination that such damage requires the removal of Tenant and use of Premises is substantially impaired, in which case this Rental Agreement will terminate as of the expiration of the notice period. If this Rental Agreement is terminated, Landlord shall return all security deposits in accordance with paragraph 4 and paragraph 17 of this Rental Agreement and prepaid rent, plus accrued interest recoverable by law, unless Landlord reasonably believes that Tenant, or Tenant's guests were the cause of the damage or casualty, in addition to paying for repair of all damages and related costs, in which case Landlord shall account to Tenant for the security deposit and prepaid rent, plus accrued interest based upon the damage or casualty. Accounting for rent in the event of termination or apportionment shall be made as of the date of the casualty.

29. NON-LIABILITY OF LANDLORD. Landlord shall not be liable for any injury or damage to persons or property either caused by or resulting from falling plaster or drywall, dampness, overflow or leakage upon or into the Premises of water, rain, snow, ice, sewage, steam, gas, or electricity, or by any breakage in or malfunction of electronically locking doors, video cameras, pipes, plumbing fixtures, sump pumps, air conditioners, or appliances, or leakage, breakage, or obstruction of soil pipes, nor for any injury or damage from any other cause unless any such injury or damage is the result of willful misconduct or gross negligence of Landlord. Tenant acknowledges that basement rooms are not considered watertight and may, on occasion, take on water. Tenant shall give prompt notice to Landlord of any of the foregoing occurrences, however caused. In addition, Landlord is not responsible for theft of Tenant's personal property or any other criminal acts by known or unknown third parties on or near Premises. It shall be the responsibility of Tenant to obtain insurance to cover loss or damage to personal property. A breach by any other tenant of any term of that tenant's rental agreement shall not constitute a breach by Landlord of any obligation to Tenant hereunder. Tenant hereby releases Landlord from any liability resulting from the acts of third persons who are not agents of Woodard Properties, or from other tenants. There shall be no rent reductions, compensation to Tenant, or cause for termination of this Rental Agreement because of interruptions of any utilities or services or the failure of any appliance to function properly or because of any inconvenience arising from such interruption or failure to function properly where Landlord has been notified of any such interruption, malfunction, or failure of the above services by Tenant and has made reasonable efforts to repair.

30. SECURITY AWARENESS: Tenant and Occupant acknowledge that security systems are subject to failure from malfunction, tampering, power outages, human error or other causes, and agree that they shall not rely on such systems as protection against crime, injury or damage. Landlord specifically disclaims any express or implied warranty of any security systems provided by Landlord. Tenant and Occupant acknowledge that he or she is responsible for his or her own personal safety and agrees to take appropriate safety measures to protect him or herself.

31. WAIVER OF RIGHT TO JURY TRIAL. Both Landlord and Tenant hereby waive the right to trial by jury in any action, proceeding or counter-claim brought by either party against the other arising out of this Rental Agreement, the relationship of Landlord and Tenant, Tenant's use or occupancy of Premises, and/or any injury or damage on or about Premises.

32. ENTIRE AGREEMENT. This Rental Agreement constitutes the final and entire agreement among the parties and they shall not be bound by any terms, conditions, oral statements, warranties, or representations not herein contained. Except as provided herein, this Rental Agreement cannot be modified except by written agreement signed by both Landlord and Tenant.

33. APPLICABLE LAW. This instrument shall be construed, interpreted and applied in accordance with the laws of the Commonwealth of Virginia.

34. ATTORNMENT. Tenant hereby agrees that Tenant will recognize as its landlord under this Rental Agreement and shall attorn to any person succeeding to the interest of Landlord in respect of the land and the buildings on or in which Premises is situated, upon any foreclosure of any deed of trust upon such land or building, or upon the execution of any deed in lieu of such foreclosure in respect of such deed of trust. If requested, Tenant shall execute and deliver an instrument or instruments confirming its attornment as provided for herein; provided, however, that no such mortgagee or successor-in-interest shall be bound by any payment of rent for more than one (1) month in advance, or any amendment or modification of the Rental Agreement made without the express written consent of such mortgagee.

35. SEVERABILITY. If a court of competent jurisdiction shall, at any time, hold that a portion of this Rental Agreement is invalid, the remainder shall not be affected thereby and shall continue in full force and effect.

36. EXECUTION OF THIS RENTAL AGREEMENT. In lieu of an original signature to this Rental Agreement, Landlord will accept a valid and legitimate electronic and/or facsimile signature of the Tenant. In doing so, Tenant hereby acknowledges his/her endorsement and acceptance of this agreement, and he/she waives any challenge to validity of this Rental Agreement based on Tenant's endorsement by electronic and/or facsimile signature.
