(The wall jacks at these locations may not provide access to the internet.)
(For locations not listed here, you may contact other service providers directly such as Century Link, Comcast, or Ting.)

Instructions:

For instructions on accessing the building wide WiFi simply send an email to wifi@charlottesvilleisp.com requesting the network name and password. You will also need to include the following information:

- Your full name
- Your address (including apartment number)
- Your phone number

You will receive an automated response with the network name and password. It's important you provide OFM your contact information so they can keep you updated on password changes and other pertinent information.

Support:

OFM Computer Systems, Inc. is your technical support provider if you cannot get connected to the internet. If you have any difficulties, please contact Technical Support:

Phone: 434-422-9301 (Leave voicemail after hours. Your call will be addressed the following business day.)
Email: support@charlottesvilleisp.com. Technicians are available Monday through Friday, 9AM to 5PM.
Twitter: http://twitter.com/ofmwoodard (Network Status updated here)
Web: http://charlottesvilleisp.com/woodard (Self Help Documents here)

Please keep in mind that you may have problems which are unrelated to the Internet Service provided by OFM through Woodard Properties. Problems with your computer hardware, operating system, virus infections/spyware or wireless connection, etc. are not covered under the agreement with OFM.

WiFi Internet Access is a service offered by OFM through Woodard Properties. We will continue to observe and monitor the services and may make changes based on our ongoing evaluations.
