Keys and move-in information may be obtained from Landlord during regular office hours after the Term commences.

Tenant understands and expressly authorizes Landlord to electronically debit their account for the amount of fees in addition to the amount of returned payment. Landlord reserves the right to require a cashier's check or money order in payment of rent. Cash is not accepted for any payment.

6. UTILITIES AND SERVICES.

a. Trash removal is \$10.00 per month per bedroom or per Tenant/Occupant, whichever is greater, and may include recycling and composting. Internet Service costs are described in subparagraph c. If the actual utility or service (electric, gas, water, sewer, trash removal, internet, or grounds maintenance) costs paid by Landlord, for the entire rental term for Premises, exceeds the utility and service payments due from Tenant by more than five percent (5%), Tenant agrees to pay Landlord the full difference. This shall be determined by adding all utility & service costs and a \$15.00 per month third-party provider administrative and billing expense, and then subtracting the utility payments made by Tenant as described above. If water/sewer is on a central meter, the Tenant is charged a proportionate share of the costs based on the number of persons sharing said meter. If electric or gas is on a central meter, the Tenant is charged a proportionate share of the costs based on the number of bedrooms sharing said meter. Tenant agrees that Landlord may elect to install a separate meter to measure Tenant's usage of any shared utility and may change the monthly utility installment or manner in which utilities are billed (i.e. employ a 3rd party utility billing service) as a result. By reasonable (not less than 30 days) notice, Landlord may adjust the monthly utility installments paid by Tenant if Landlord's costs exceed Tenant's payments by more than ten percent (10%), or may change to a 3rd party utility billing system.

Should the utility and service payments received by Landlord exceed the actual utility costs, Tenant shall not be entitled to any refund or rebate, so long as Landlord has established charges set forth above in good faith.

b. Grounds maintenance shall include grass cutting, leaf removal, and all clearing of snow/ice from driveways and walkways. Tenant is responsible for grounds maintenance unless otherwise noted in Paragraph 1c. Landlord shall be responsible for gutter cleaning, bush/hedge trimming, tree maintenance, and other extensive outdoor projects as determined necessary by Landlord.

c. At locations where Landlord provides Internet Service, whether it is wired or wireless, the service provider is to be selected by Landlord and the monthly cost to Tenant is \$70 per month. In properties where wireless internet is provided, Landlord does not guarantee functionality of wired jacks, and in properties where wired internet is provided, Landlord does not guarantee wireless functionality. Landlord is not responsible for the reliability of the internet service which enters the building and cannot guarantee the availability of internet service at all times for that reason. Tenant acknowledges that no warranty is made by Landlord or any internet provider contracted by Landlord (hereafter referred to as "Provider") regarding any information, service, or product provided through, in connection with, or located on the computers of Provider. Landlord hereby expressly disclaims any and all warranties. Tenant is bound by the Provider's acceptable use policy. Landlord reserves the rights to determine at its sole discretion what uses of the Internet Service are and are not permissible and any use of the Internet Service that inordinately drains bandwidth is prohibited. The entire risk as to the results and the performance is assumed by the Tenant, and in no event will Landlord or Provider be liable for any consequential, incidental, direct or indirect damages suffered in the course of using this connection. Neither Landlord nor Provider will be liable or responsible for, including without limitation, any loss, damage, or expense incurred by Tenant caused or allegedly caused by failure of performance, error, omission, interruption, electrical surge/damage/interference, deletion, defect, delay in operation or transmission, communications line failure, theft or destruction of or unauthorized access to, alteration of or use of records, whether for breach of contract, negligence, or if the quantity or quality of the Internet Service is no longer suitable for Tenant's requirements, or under any other cause of action. Tenant is responsible for updating the virus protection programs and personal firewalls on his/her personal computer with the most current definitions, as well as performing regular virus scans. Tenant is also responsible for installing the most current critical updates for his/her operating system. If Tenant does not comply with the terms of this paragraph, Landlord may terminate Tenant's access to this connection, without notice, for the remainder of the rental term and no compensation will be awarded to Tenant for this disruption of service. Tenant, and any guest of Tenant, shall not remove or tamper with Wireless Access Points, networking equipment, wiring, or wall jacks provided by Landlord. Tenant is not permitted to use the Internet Service connection for any purposes that violate U.S. or state laws. It is also not acceptable to use this connection to interfere with or disrupt network users, service or equipment. Such interference includes but is not limited to: distribution of unsolicited advertising, propagation of computer worms or viruses, and using the network to make unauthorized entry to other computational, information or communications devices or resources. Any Tenant discovered using this connection for such unacceptable purposes will have his/her access to the connection terminated without notice, and Tenant will be responsible for all costs incurred by Landlord or Provider because of such unacceptable uses. Landlord shall have the absolute right to lease or sell any internet cable and/or television cable and/or telephone cable, where it has been or is installed by Landlord, to any service provider of Landlord's choice.

d. For any utilities or services for which Tenant is responsible for connecting, Tenant agrees to initiate service(s) on or before the commencement date of this Rental Agreement and acknowledges that they may need to connect multiple meters for each service. Tenant is responsible for contacting local utility companies to initiate services and authorizes Landlord to request and obtain, on behalf of Tenant, Tenant's consumption data from the applicable utility provider. Tenant agrees to maintain those services throughout the term of this Rental Agreement as necessary to avoid damage to the Premises and through 5 business days beyond the termination date of this Rental Agreement. In the event Tenant fails to maintain utility services as described herein, Tenant agrees to pay Landlord any costs associated with having any or all utilities connected plus an administrative fee of \$40 for each utility invoice received and paid by Landlord. If any utility (electric, gas, and/or water, sewer) is on a central meter and/or if trash is collected at a central location, Landlord will pay for these utilities and services and prorate the costs from the commencement date of this Rental Agreement to 5 business days beyond the termination date of this Rental Agreement. Tenant will reimburse Landlord for the prorated amounts due upon receipt of a statement from Landlord. Tenant acknowledges that some utility charges may be for exterior or common areas adjacent to Premises. Tenant acknowledges common area laundry rooms, if applicable, are pay-per-use.

e. Should Landlord pay Tenant's delinquent water or sewer charges such amount paid shall become additional rent due to Landlord. In such event, Tenant further agrees to pay Landlord a \$100.00 administrative fee as additional rent in addition to any such charges paid by Landlord.

7. SECURITY DEPOSIT. The Deposit may be applied solely by Landlord to the payment of accrued rent, to charges for late payments of rent as specified herein, to the Restoration Fee, to payment of any damages which Landlord suffers by reason of Tenant's non-compliance with his duty to maintain Premises, and to any other damages as provided herein. Nothing in this

section, however, entitles Tenant to an immediate credit against any delinquent rent. Acceptance of the Deposit by Landlord does not constitute any waiver of damages that may exceed the amount of the Deposit or any waiver of any other rights Landlord may have against Tenant by reason of Tenant's default. In the event damages suffered by Landlord by reason of Tenant's default exceed the amount of the Deposit, Landlord shall be entitled to recover such damages from Tenant, along with the costs of exercising these rights. If Tenant complies with all provisions of this Rental Agreement, the Deposit, or the balance thereof, shall be returned within 45 days after termination of the tenancy and delivery of possession or within such longer period as permitted by Virginia Law. Upon termination of this Rental Agreement, the Landlord shall issue one check payable to the Contact Person designated in Paragraph 1. The Landlord shall also send the security deposit statement and any applicable refund details to the email address provided by the Tenant. In the event it becomes necessary for Landlord to replace the Deposit refund check, any stop payment cost incurred by Landlord and a \$50 administrative fee may be deducted by Landlord from the refund.

8. VACATING; RESTORATION FEE. Upon termination of the Rental Agreement, Tenant shall vacuum carpets, sweep floors, wipe all surfaces clean, remove all trash and items of personal property and promptly vacate, leaving the Premises in good order and repair. The Restoration Fee designated in Paragraph 1c, employs Landlord to perform the following services at the termination of the lease term, to bring the Premises to move-in condition: Steam cleaning of carpeting; mopping of floors; touch-up painting; cleaning behind appliances; cleaning of light fixtures and vents; final cleaning of all surfaces, including countertops, shelving, appliances, restroom and kitchen fixtures, ceilings, doors, windows, blinds, walls, baseboards and flooring; and cleaning of balconies and/or porches. Tenant authorizes the Restoration Fee to be deducted from the Deposit if not otherwise paid by the end of the Term, and agrees to immediately pay such Fee to Landlord, should the Deposit be insufficient to cover all sums owed to Landlord. In such event, any deficiency in the Restoration Fee shall be considered additional rent. The Restoration Fee covers basic cleaning, but not repairs, replacements of damaged items or painting beyond touch-ups. Should the condition of the Premises be such that deeper or more intensive or extensive cleaning is required, in Landlord's sole discretion, Tenant agrees to pay such reasonable additional charges as may be required to bring the Premises to move-in condition. If repairs, replacements, extra painting or additional cleaning beyond that covered by the Restoration Fee is needed, in Landlord's sole discretion, and employees of Landlord perform such work, charges therefore shall be \$75 per hour for labor, plus the cost of materials, and overhead of 20% of labor and materials. A minimum charge of one hour for labor shall be assessed on all repairs. If Landlord employs a subcontractor to do such work, the work will be charged at the amount invoiced, plus 20% overhead. No right of storage beyond the end of the lease term is given by this Rental Agreement. In the event Tenant's personal property is not removed from the Premises at the termination of this Rental Agreement, Landlord may consider such property abandoned and may dispose of it without liability for damage or loss, in accordance with applicable Virginia law. In such event, Tenant shall pay Landlord's reasonable costs of removal and/or disposal of such property. In the event Landlord elects to store Tenant's property, Tenant shall pay for all costs of removal and storage. Tenant agrees to leave all utilities that are in Tenant's name connected from the commencement day of this Rental Agreement until 5 business days beyond the termination date, or to pay Landlord any costs associated with having any or all utilities reconnected plus an administrative fee of \$40 per utility invoice received and paid by Landlord. Tenant may request, with at least five days written notice, to be present during the move-out inspection.* If the amount is not otherwise noted in Section 1, above, the Restoration Fee will be charged as follows: \$250.00 per bedroom.

9. CONTACT PERSON. The Contact Person is appointed by the Tenant to simplify communication between Landlord and Tenant when more than one person is listed as Tenant, for this Term, and as Tenant's attorney-in-fact for purposes of receiving notices from Landlord and the Tenant's security deposit statement and refund, if applicable. Tenant acknowledges that verbal, written, electronic, telephone and/or any other form of communications with Contact Person shall be considered adequate notice to Tenant. The Contact Person shall be responsible for communicating with all person(s) listed as Tenant as well as distributing any additional copies of the Rental Agreement. Although a Contact Person has been appointed, Landlord may at any time communicate with any or all person(s) listed as Tenant and each person is responsible for sharing any Landlord communications with all others listed as Tenant.

12. FAILURE OF TENANT TO VIEW PREMISES. Tenant acknowledges that Tenant may view Premises prior to execution of this Rental Agreement (except for new construction). Tenant accepts the Premises in an as-is condition, acknowledges the age of the Premises, and understands that Premises may not meet provisions of the current building code that went into effect after the Premises were constructed. This Rental Agreement will not be terminated or voided as a result of Tenant's failure to view the Premises prior to lease signing.

13. AGENT. Woodard Properties is the Agent for Landlord. Woodard Properties shall notify Tenant of the name and address of the resident manager, if any.

14. RENEWAL. This Rental Agreement will not automatically renew. However, a new rental agreement for an additional term may be executed subject to the availability of Premises, Landlord's approval, and revised terms and conditions. In the event a new rental agreement is executed and one or more persons listed as Tenant signs a new rental agreement for Premises, a Renewal Rental Addendum is to be agreed upon and signed by all current persons listed as Tenant and all future tenants. The entire security deposit will transfer to the new agreement and Landlord will not inspect or prepare the Premises between the current Tenant and future tenants' occupancy. Allocation, pro-ratio, or crediting of the transferred Deposit among Tenant and future tenants shall be the responsibility of Tenant and future tenants and not Landlord. Landlord shall simply treat Deposit as a new Deposit for the new lease term.

21. EXTENDED ABSENCE. Tenant shall notify Landlord in writing of any absences of seven days or more from Premises and Tenant agrees to leave all utilities connected continuously through the term of this Rental Agreement plus 5 additional days as provided in Paragraph 8.

22. ABANDONMENT. Abandonment of Premises (whether or not the keys are returned and accepted by Landlord) will entitle Landlord to (a) immediate possession, (b) the option to terminate this Rental Agreement, (c) to find a new tenant to assume the remainder of the Term, and (d) to remove any remaining personal effects on the Premises and dispose of the same in a manner consistent with Virginia law.

23. LOCKS/KEYS. If Tenant loses any key to any lock on Premises, or fails to return all keys, with each key labeled, to Landlord at the termination of this Rental Agreement, Tenant agrees to pay (a) the greater of \$100.00 per lock to re-key any existing lock or the actual cost incurred by Landlord for such re-keying, (b) \$150.00 per lock for any lock to be replaced or for the installation of any additional locks on Premises, (c) the cost of cutting new keys, and (d) the cost of re-programming combination locks. Tenant agrees to pay the greater of \$150.00 per lock for installing additional locks per Tenant's request or the actual cost incurred by Landlord for doing so. Tenant may not duplicate and/or distribute keys to any person not listed as Tenant or Occupant on this Rental Agreement. Landlord makes no guarantee that he will be available to unlock Premises at any time, and Landlord may assess an administrative fee for borrowing a key in the event of a lock out. Tenant shall keep keys for all locks for Premises with him/her at all times and shall keep the Premises locked when no Occupant is present. Please note that in the event Landlord accesses Premises as permitted in paragraph 28 of this Rental Agreement, Landlord will lock doors upon leaving. If Tenant is locked out and Landlord is not available, Tenant may call a locksmith to unlock Premises at Tenant's expense.

24. ALTERATIONS. Tenant agrees to make no alterations, installations, repairs or redecorations of any kind to Premises without the prior written consent of Landlord. Any alterations, redecorations, repairs, additions or improvements shall inure to the benefit of, and become the property of Landlord. Landlord shall not be responsible for installing, maintaining, or repairing telephone lines. Landlord or its agents may from time to time make improvements, changes, or additions, (including the construction of new living units) to Premises or on the property of the Premises, or on property adjoining Premises. Such work shall not modify the terms or conditions of this Rental Agreement nor be considered a breach of Tenant's quiet enjoyment.

25. REPAIRS. Tenant agrees to pay the reasonable costs of repairs or maintenance necessitated by the deliberate or negligent acts or omissions of Tenant, Occupants, or guests of Tenant, unknown parties, or vandals. Said repairs or maintenance shall be arranged by Landlord unless Landlord gives written permission for Tenant to accomplish such repairs or maintenance tasks. If employees of Landlord make repairs (including but not limited to pest control, cleaning, removing trash, replacement of smoke detectors, batteries, light bulbs and painting) to Premises during the term of this Rental Agreement or upon termination of this Rental Agreement, the rate during regular business hours shall be \$75 per hour for labor, plus the cost of materials, plus overhead of 20% of labor and materials. After normal business hours or on weekends and holidays, labor shall be charged at a rate of \$112.50 per hour. A minimum charge of one hour for labor shall be assessed on all repair charges. If a subcontractor of Landlord makes such repairs to the Premises, the charge will be the cost incurred by Landlord, plus 20%

overhead.

26. DEFAULT.

(a) NON-PAYMENT. If rent or any payment required to be made under this Rental Agreement is unpaid when due, and Tenant fails to make such payment or to pay such rent within five days after written notice is served on Tenant notifying Tenant of the non-payment and of Landlord's intention to terminate this Rental Agreement if the rent or other payment is not paid within the five day period, Landlord may terminate this Rental Agreement and proceed to obtain possession of Premises as provided by law. In the event the rental payment is not received by the 11th day of the month and Landlord files a warrant or summons for collection, Tenant agrees to pay Landlord a processing fee of \$75.00, in addition to any other amounts owed under this Rental Agreement.

(b) MATERIAL NON-COMPLIANCE. Except as otherwise provided by law, if there is a material non-compliance by Tenant with any term of this Rental Agreement, Landlord may serve a written notice on Tenant specifying the acts and omissions constituting the breach and stating that if after receipt of the notice the breach is not remedied within twenty-one days, this Rental Agreement shall terminate as provided in the notice. If the breach is remediable by repairs or the payment of damages or otherwise and Tenant adequately remedies the breach prior to the date specified in the notice, this Rental Agreement shall not terminate. If the breach is one by its nature not remediable, for example, a breach of Tenant's duty to refrain from disturbing his neighbors, sub-leasing without written permission from Landlord or Tenant's smoking in Premises, this Rental Agreement shall terminate upon the date specified in the notice. Tenant shall be in default of this Rental Agreement if Tenant or any Occupant violates fire, safety, health, or criminal laws, regardless of arrest or conviction. Tenant agrees that any violation of paragraphs 17 or 18 shall be considered a material violation of this agreement.

(c) REPRESENTATIONS IN RENTAL APPLICATION. This Rental Agreement was entered into based upon the representations of Tenant contained in the Rental Application(s). If any of those representations are found to be misleading, incorrect or untrue, or change (including but not limited to scholastic, employment, or criminal history), Landlord may immediately terminate this Rental Agreement and notify Tenant to vacate the Premises.

(d) VIOLATION OF PARAGRAPH 17 OR 18 AFFECTING HEALTH AND SAFETY. If Tenant violates paragraph 17 or 18 of this Rental Agreement or any other provision of this Rental Agreement materially affecting health and safety and the violation can be remedied by repair, replacement of a damaged item or cleaning, and Tenant fails to comply as promptly as conditions require in case of emergency or within twenty-one days of written notice by Landlord specifying the breach and requesting that Tenant remedy it within that period of time, Landlord may enter Premises and cause the work to be done in a workman-like manner and submit an itemized bill for actual and reasonable cost or the fair and reasonable value thereof as rent due on the next date when periodic rent is due, or if this Rental Agreement has terminated, due immediately.

(e) NON-WAIVER. Acceptance of periodic or partial rent payments with knowledge of a default by Tenant or acceptance of performance by Tenant that varies from the terms of this Rental Agreement or rules or regulations subsequently adopted by Landlord shall not constitute waiver of Landlord's rights after the breach has occurred.

(f) LANDLORD'S REMEDIES AFTER TERMINATION. If this Rental Agreement is terminated by Landlord, Landlord shall have a claim for possession and for rent and a separate claim for actual damages for breach of this Rental Agreement and recovery of all reasonable attorneys' fees incurred by Landlord in relation to such breach. Actual damages for breach of the Rental Agreement shall include a claim for such rent as would have accrued until the expiration of the term of this Rental Agreement, mitigated by any tenancy pursuant to a new rental agreement for the Premises. Actual damages also include collection costs of any kind incurred by Landlord to collect amounts owed by Tenant, and interest at 18% on the unpaid balance until paid in full.

(g) FAILURE TO VACATE AT END OF RENTAL AGREEMENT. If Tenant fails to vacate Premises, or deliver possession of entire Premises, on or before the termination date and time of this Rental Agreement, Tenant agrees to pay Landlord 150% of the daily prorated rent, as liquidated damages, for each day or portion of day until the Premises is vacated.

(h) LANDLORD'S REMEDIES IN GENERAL. The Landlord may recover damages and obtain injunctive relief for any non-compliance by the Tenant with this Rental Agreement. All remedies may be cumulative. The Landlord shall be entitled to recover reasonable attorney's fees as provided in this Agreement and in the Virginia Residential Landlord and Tenant Act.

(i) E-MAIL NOTICE. A notice given to Tenant by Landlord through a Tenant-provided E-mail address shall constitute proper notice.

27. VENUE. Landlord and Tenant agree that the exclusive venue for resolution of any and all disputes arising under this Rental Agreement shall be in the courts of the City of Charlottesville, Virginia or Albemarle County, Virginia.

28. ACCESS. Landlord shall have the right to enter Premises in order to inspect Premises, to make necessary or requested

repairs, decorations, alterations or improvements to Premises or to adjacent premises, supply necessary or agreed services, exhibit Premises to prospective or actual purchasers, mortgagees, tenants, workmen, or contractors, or in case of emergency. Except in case of emergency or if it is impractical to do so, Landlord shall enter only at reasonable times and shall give Tenant reasonable notice of intent to enter.

29. RULES AND REGULATIONS. In addition to the Use Restrictions set forth in Section 15, above, (including no smoking and no pets by Tenant or guests) Landlord may impose additional reasonable rules and regulations relating to the Premises (collectively, the "Rules and Regulations") provided that Tenant receives reasonable notice thereof. Tenant further agrees that any failure by Tenant, or failure by others on Premises with the consent or knowledge of Tenant, to fully abide by all such Rules and Regulations may be deemed by Landlord as a default by Tenant and breach of this Rental Agreement. In the event of such default, Tenant agrees to pay Landlord \$200.00 per violation of the Rules and Regulations, in addition to any actual damages suffered by Landlord. Violations of a continuing nature which are not corrected within 24 hours of notice to Tenant shall be deemed a new violation for each day the violation remains uncorrected.

30. TELEVISION SERVICE. Landlord shall have the absolute right to lease the interior television cable wiring, where Landlord has installed wiring, to any television service provider that Landlord selects. If Landlord installs a central television satellite dish or antenna system, Tenant agrees to use it rather than any other service that may be available. Any Tenant who desires to install a satellite dish must first sign a Satellite Addendum and a Hold Harmless Addendum and pay for the installation as well as any additional costs and fees to Landlord. Landlord must approve any installation prior to the commencement of the work. Tenant shall pay for cable service if Tenant chooses to subscribe.

31. FIRE OR CASUALTY DAMAGE. If Premises is damaged or destroyed by fire or casualty to an extent that Tenant's enjoyment of Premises is substantially impaired or that required repairs can only be accomplished if Tenant vacates Premises, either Tenant or Landlord may terminate this Rental Agreement. Tenant may terminate this Rental Agreement by vacating Premises and within 14 days thereafter, serving Landlord a written notice of his intention to terminate, in which case this Rental Agreement will terminate as of the date of vacating. If continued occupancy is lawful and practical and Tenant continues to occupy the Premises, there shall be a reasonable rent reduction accounting for any limitations in full use of the Premises until such time as the Premises is restored to the condition prior to fire or casualty. If the Tenant is legally or practically deprived of possession, but the lease is not terminated, Tenant shall be allowed a reasonable reduction in rent until possession of Premises is restored to Tenant. Landlord may terminate this Rental Agreement by giving Tenant 14 days' notice of intention to terminate based upon Landlord's determination that such damage requires the removal of Tenant and use of Premises is substantially impaired, in which case this Rental Agreement will terminate as of the expiration of the notice period. If this Rental Agreement is terminated, Landlord shall return all security deposits in accordance with paragraph 7 and 8 of this Rental Agreement and prepaid rent, plus accrued interest recoverable by law, unless Landlord reasonably believes that Tenant, or Tenant's guests were the cause of the damage or casualty, in addition to paying for repair of all damages and related costs, in which case Landlord shall account to Tenant for the security deposit and prepaid rent, plus accrued interest based upon the damage or casualty. Accounting for rent in the event of termination or apportionment shall be made as of the date of the casualty.

32. NON-LIABILITY OF LANDLORD; INDEMNIFICATION. Landlord shall not be liable for any injury or damage to persons or property either caused by or resulting from falling plaster or drywall, dampness, overflow or leakage upon or into the Premises of water, rain, snow, ice, sewage, steam, gas, or electricity, or by any breakage in or malfunction of electronically locking doors, video cameras, pipes, plumbing fixtures, sump pumps, air conditioners, or appliances, or leakage, breakage, or obstruction of soil pipes, nor for any injury or damage from any other cause unless any such injury or damage is the result of willful misconduct or gross negligence of Landlord or Landlord's violation of any applicable law. Tenant acknowledges that basement rooms are not considered watertight and may, on occasion, take on water. Tenant shall give prompt notice to Landlord of any of the foregoing occurrences, however caused. In addition, Landlord is not responsible for theft of Tenant's personal property or any other criminal acts by known or unknown third parties on or near Premises. It shall be the responsibility of Tenant to obtain insurance to cover loss or damage to personal property. Tenants acknowledge the risk with respect to having wildlife near their apartment home and acknowledge that we are not liable for injuries, damage, or losses to person or property caused by or related to wildlife. A breach by any other tenant of any term of that tenant's rental agreement shall not constitute a breach by Landlord of any obligation to Tenant hereunder. Tenant hereby releases Landlord from any liability resulting from the acts of third persons, including other tenants, who are not agents of Woodard Properties. There shall be no rent reductions, compensation to Tenant, or cause for termination of this Rental Agreement because of interruptions of any utilities or services or the failure of any appliance to function properly or because of any inconvenience arising from such interruption or failure to function properly where Landlord has been notified of any such interruption, malfunction, or failure of the above services by Tenant and has made reasonable efforts to repair. Tenant shall indemnify and

hold Landlord harmless against all claims asserted against Landlord which arise from the acts or omissions of Tenant or Tenant's guests. Such indemnification shall include payment of all costs, including reasonable attorneys' fees, incurred by Landlord to defend itself against such claims.

33. RENTER'S INSURANCE: Landlord does not require Tenant to carry Renter's Insurance, but it is strongly encouraged that Tenant obtain Renter's Insurance to protect their personal property. In the event of a water leak, fire, or other casualty event, Landlord is not responsible for damage to Tenant's personal property and Landlord's insurance coverage does not include Tenant's personal property. Renter's Insurance does not typically cover flood damage and Tenant is advised to contact the Federal Emergency Management Agency (FEMA) or visit the websites for FEMA's National Flood Insurance Program or the Virginia Department of Conservation and Recreation's Flood Risk Information System to obtain information regarding whether the property is located in a special flood hazard area.

34. SECURITY AWARENESS: Tenant and Occupant acknowledge that security systems are subject to failure from malfunction, tampering, power outages, human error, or other causes, and agree that they shall not rely on such systems as protection against crime, injury or damage. Landlord specifically disclaims any express or implied warranty of any security systems provided by Landlord. Tenant and Occupant acknowledge that he or she is responsible for his or her own personal safety and agree to take appropriate safety measures to protect him or herself.

35. PHOTOGRAPHY & VIDEO RELEASE: Tenant acknowledges that Landlord, from time to time, may take photographs or videos of apartments or events, and that these may be used in web or print media. Tenant agrees to release, hold harmless and indemnify Landlord and Landlord's representatives from and against all claims, demands, costs, expenses (including attorneys' fees), and causes of action arising out of or in any manner relating to any personal damage from Landlord's use of such photographs or video.

36. WAIVER OF RIGHT TO JURY TRIAL. Both Landlord and Tenant hereby waive the right to trial by jury in any action, proceeding, or counterclaim brought by either party against the other arising out of this Rental Agreement, the relationship of Landlord and Tenant, Tenant's use or occupancy of Premises, and/or any injury or damage on or about Premises.

37. ENTIRE AGREEMENT. This Rental Agreement constitutes the final and entire agreement among the parties and they shall not be bound by any terms, conditions, oral statements, warranties, or representations not herein contained. Except as provided herein, this Rental Agreement cannot be modified except by written agreement signed by both Landlord and Tenant.

38. APPLICABLE LAW. This instrument shall be construed, interpreted, and applied in accordance with the laws of the Commonwealth of Virginia.

39. ATTORNMENT. Tenant hereby agrees that Tenant will recognize and attorn to any person succeeding to the interest of Landlord as its landlord under this Rental Agreement in respect of the land and the buildings on or in which Premises is situated, upon any foreclosure of any deed of trust upon such land or building, or upon the execution of any deed in lieu of such foreclosure in respect of such deed of trust. If requested, Tenant shall execute and deliver an instrument or instruments confirming its attornment as provided for herein; provided, however, that no such mortgagee or successor-in-interest shall be bound by any payment of rent for more than one (1) month in advance, or any amendment or modification of the Rental Agreement made without the express written consent of such mortgagee.

40. SEVERABILITY. If a court of competent jurisdiction shall, at any time, hold that a portion of this Rental Agreement is invalid, the remainder shall not be affected thereby and shall continue in full force and effect.

41. EXECUTION OF THIS RENTAL AGREEMENT. An electronic, facsimile, or scanned signature on this Rental Agreement shall be as effective as an original. Tenant hereby acknowledges his/her endorsement and acceptance of this agreement, and he/she waives any challenge to validity of this Rental Agreement based on Tenant's endorsement being electronic, facsimile or scanned.
